dealer at reitnouer-trailers.com

REITNOUER MULTI-AXLE TRAILERS ARE BUILT TO HANDLE THE REALLY HEAVY LOADS – up to 40,000 lbs over each axle, with great turning radii and exceptional stability. All Reitnouer multi-axle trailers are available in three-, four-, seven-, and eight-axle configurations, as well as tri-nine and quad-nine designs. All combinations are available with various assortments of drive, slide, lift and steerable axles, customizable to your load and state requirements.

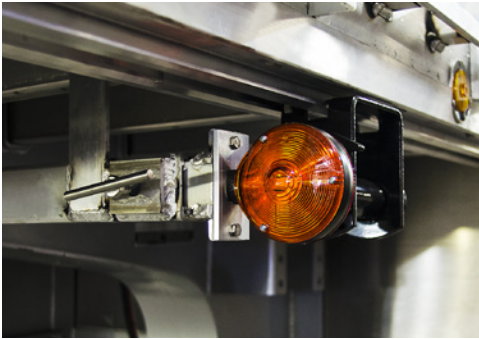

- Ability to handle high point loads of 40,000 lbs. over each axle
- Allows for a narrow turning radius for maximum maneuverability
- Increased stability when loading and driving
- Available with Reitnouer's full range of features and options
- Backed by the best warranty in the trailer industry
